***CMAS - Where every person
has a voice!***

CMAS provides advocacy for people who are members of the Clover Bottom Settlement Agreement and/or Arlington Remedial Order class groups.

Advocates are available for mediation or problem resolution providing a voice with and for people who are class members. Referrals for advocacy can come from the individual needing assistance, their conservators, agency personnel, Independent Support Coordinators (ISCs) and/or anyone who supports the person. There are forms provided to ISCs for referrals but these are not required to request advocacy. The CMAS advocates will be available to connect people and their families, conservators, ISCs and providers with solutions to issues. They are just a call away. Toll free # 1-800-835-7077, ext. 29, Fax 1-800-886-8310.

The CMAS team advocates across the state. The team is made up of:
