Dear Family Support Recipient,

As you may have already heard Commissioner Jim Henry DID NOT include the Family Support Program in the budget for 2012-2013. It is time again to let our elected officials know the importance of the program and what it means to your family. Please take a few minutes to send an e-mail, write a postcard or better yet send a handwritten note with a picture of your individual who receives Family Support. We were successful two years ago in getting the Family Support Program back in the budget and we can do it again but it will take all of us! Here is the contact information for our state level elected officials:
